Pollution Control Board

To whom it may concern:

I received a letter from the Illinois Pollution Control Board about my yard. I'm disabled had a back surgery waiting for my 3rd surgery we been on workmans comp for awhile. My name is John R Hall Jr. I have a son John R Hall III he's 10 & 2 step daughters ones 15 her name is Kauran Denton & Kelsey Denton is 12. They know I cant get out & clean up my yard so they took it upon themselves to burn the things in my yard they didnt realize what they were doing was wrong they thought they were helping me. So I contacted someone a friend of mine & he came and cleaned up my yard & hauled all the junk away. Sorry for the inconvenience

Thank You
John R Hall Jr.
