HEARING OFFICER ORDER

On July 27, 2005, the respondent informed the hearing officer that a stipulation and proposal for settlement (stipulation) is being circulated for review and signatures. The respondent requested that the answer due date be extended for an additional 60 days. The respondent represented that the complainant has no objection. Respondent's request is granted and its answer is now due to be filed on or before September 29, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 29, 2005, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
