**HEARING OFFICER ORDER**

On August 25, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties informed the hearing officer that respondent's financial information still needs to be forwarded to the complainant for review and to assist in the settlement discussions. The respondent represented that it is striving to gather the needed information and forward it to the complainant. It appears that the needed information needs to be reconstructed due to a lost check register.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 3, 2005, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
