HEARING OFFICER ORDER

On August 4, 2005, respondents filed a motion for extension of time to respond to complainant's motion for summary judgment. The hearing officer, however, construed the motion for extension of time to pertain only to respondent Community Landfill Company, Inc. (CLC). On August 18, 2005, the hearing officer granted, in part, CLC's motion for extension of time. On August 23, 2005, the respondent, City of Morris (City), informed the hearing officer that the motion for extension of time was filed on behalf of both respondents. It is noted that the motion itself contained varying references to "respondent" and "respondents" throughout. The City, however, did sign the motion, indicating that it likewise was moving for an extension. To that end, the City is also granted the extension of time to the extent that the City's response to the complainant's motion for summary judgment is now due on or before September 16, 2005. No further extensions will be entertained without just cause.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 13, 2005, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
