ORDER OF THE BOARD (by J.P. Novak):

On September 12, 2005, the parties timely filed a joint notice to extend the 35-day period within which Illinois State Toll Highway Authority may appeal an August 10, 2005 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.402, 105.406. The Agency rejected the high priority corrective action completion report for Illinois State Toll Highway Authority's leaking underground petroleum storage tank facility located at the Lincoln Oasis on I-294 east bound, in South Holland, Cook County.

The Board extends the appeal period until December 19, 2005, as the parties request. *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.406. If Illinois State Toll Highway Authority fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on September 15, 2005, by a vote of 5-0.
