HEARING OFFICER ORDER

On September 22, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties represented that a resolution to the above-captioned matter is proceeding and that a host agreement is close to being voted on. Language in the host agreement includes dismissal of this matter. It was represented that there appears to be one remaining issue to be resolved regarding access to the forest preserve. That issue is presently being discussed. The petitioner represented that it will file a 60-day waiver of the statutory decision deadline.

The parties are directed to participate in a telephonic status conference with the hearing officer on November 17, 2005, at 9:30 a.m. The status must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
