**HEARING OFFICER ORDER**

On September 22, 2005, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that it filed an amended notice of service on the respondent Joel Hillman. The prior notice was served on Hillman's then attorney. The attorney no longer represents Hillman. To that end, it was agreed that the respondent's answer is now due to be filed on or before November 15, 2005.

The parties were directed to submit a proposed discovery schedule on or before October 3, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 3, 2005, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
