HEARING OFFICER ORDER

On September 29, 2005, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that a discrepancy in the sludge test is being discussed internally and between the parties. Modifying conditions in the draft permit is also being discussed. Petitioner represented that it will file a 60-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 17, 2005, at 11:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
