OPINION AND ORDER OF THE BOARD (by J.P. Novak):

On November 16, 2004, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a complaint against Wienmar, Inc. (Wienmar). *See* 415 ILCS 5/31(c)(1) (2004); 35 Ill. Adm. Code 103.204. The complaint concerns Wienmar's molded resin products manufacturing facility at 1601 La Fox, South Elgin, Kane County. The parties now seek to settle. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5/1 *et seq.* (2004)), the Attorney General and the State's Attorneys may bring actions before the Board on behalf of the People to enforce Illinois' environmental requirements. *See* 415 ILCS 5/31 (2004); 35 Ill. Adm. Code 103. In this case, the People allege that Wienmar violated Sections Sections 9(a) and (b), 9.1(d)(1), 9.8(b), and 39.5(6)(b) of the Act (415 ILCS 5/9(a) and (b), 9.1(d)(1), 9.8(b), and 39.5(6)(b) (2004)); 35 Ill. Adm. Code 201.302(a), 203.201, 205.310(a)(3), 254.132(a), 254.137(a), and 270.301(b); and 42 U.S.C. 7412(g)(2)(B). The People further allege that Wienmar violated these provisions by (1) operating a major stationary source without a Clean Air Act Operating Permit Program permit; (2) failing to comply with new source review requirements; (3) failing to obtain a maximum achievable control technology determination; (4) failing to comply with Emission Reduction Market System requirements; (5) violating construction and operating permit conditions and related regulatory requirements; and (6) failing to timely submit annual emissions reports.

On September 19, 2005, the People and Wienmar filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2004)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2004)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief from hearing. The Board published newspaper notice in the *Courier News* on September 22, 2005. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2004); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Wienmar's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2004)), which bears on the reasonableness of the circumstances surrounding the alleged violations.

Wienmar neither admits nor denies the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2004)), which may mitigate or aggravate the civil penalty amount. Wienmar agrees to pay a civil penalty of \$55,000.

The People and Wienmar have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement. This docket is now closed.

This opinion constitutes the Board's findings of fact and conclusions of law.
