ORDER OF THE BOARD (by T.E. Johnson):

On April 22, 2005, Midwest Petroleum Company (Midwest) filed a petition asking the Board to review a March 14, 2005 determination of the Illinois Environmental Protection Agency (Agency). At issue is the Agency's failure to consider Midwest's amended budget for leaking underground petroleum storage tank facility at 529 Maple Street, Shiloh, St. Clair County.

On October 11, 2005, Midwest filed a motion to voluntarily dismiss the petition for review. In the motion, Midwest asserts that the matters for which the petition was filed have been fully compromised and settled. The motion is granted. The Board hereby dismisses the petition, and closes the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 20, 2005, by a vote of 5-0.
