HEARING OFFICER ORDER

On November 1, 2005, a telephonic status conference was held. The respondent did not appear. The complainant represented that a stipulation and proposal for settlement (stipulation) is being circulated for signatures.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 15, 2005, at 9:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
