AGREED MOTION TO REQUEST RELIEF
FROM THE HEARING REQUIREMENT

In support of this Motion, the parties state as follows:

1. Today, the People of the State of Illinois, filed a Stipulation and Proposal for Settlement, with the Illinois Pollution Control Board.
2. Section 31(c)(2) of the Illinois Environmental Protection Act, ("Act"), 415 ILCS 5/31(c)(2)(2004) provides:

Notwithstanding the provisions of subdivision (1) of this subsection (c), whenever a complaint has been filed on behalf of the Agency or by the People of the State of Illinois, the parties may file with the Board a stipulation and proposal for settlement accompanied by a request for relief from the requirement of a hearing pursuant to subdivision (1). . . .
3. Complainant and Respondent agree that a formal hearing is not necessary to conclude this matter and wish to avail themselves of Section 31(c)(2) of the Act, 415 ILCS 5/31(c)(2)(2004).

WHEREFORE, Complainant and Respondent request relief from the hearing requirement pursuant to Section 31(c)(2) of the Act.

Respectfully submitted,

STIPULATION AND PROPOSAL FOR SETTLEMENT

Complainant, PEOPLE OF THE STATE OF ILLINOIS, by LISA MADIGAN, Attorney General of the State of Illinois, and WEIS BUILDERS, INC., ("Respondent"), have agreed to the making of this Stipulation and Proposal for Settlement ("Stipulation") and submit it to the Illinois Pollution Control Board ("Board") for approval. The parties agree that the statement of facts contained herein represents a fair summary of the evidence and testimony which would be introduced by the parties if a hearing were held. The parties further stipulate that this statement of facts is made and agreed upon for purposes of settlement only and that neither the fact that a party has entered into this Stipulation, nor any of the facts stipulated herein, shall be introduced into evidence in any other proceeding regarding the claims asserted in the Complaint except as otherwise provided herein. If the Board approves and enters this Stipulation, Respondent agrees to be bound by the Stipulation and Board Order and not to contest their validity in any subsequent proceeding to implement or enforce their terms.

I. JURISDICTION

The Board has jurisdiction of the subject matter herein and of the parties consenting hereto pursuant to the Illinois Environmental Protection Act ("Act"), 415 ILCS 5/1 *et seq.* (2004).

II. AUTHORIZATION

The undersigned representatives for each party certify that they are fully authorized by the party whom they represent to enter into the terms and conditions of this Stipulation and to legally bind them to it.

III. STATEMENT OF FACTS

A. Parties

1. On September 20, 2005, a Complaint was filed on behalf of the People of the State of Illinois by Lisa Madigan, Attorney General of the State of Illinois, on her own motion, pursuant to Section 31 of the Act, 415 ILCS 5/31(2004), against the Respondent.

2. At all times relevant to the Complaint, Respondent Weis Builders, Inc. ("Weis") was and is a Minnesota corporation that is authorized to transact business in the State of Illinois.

B. Site Description

1. At all times relevant to this Stipulation, Home Depot U.S.A., Inc. owned and operated the Home Depot store number 1989, located at 143rd Street and Bell Road, Homer Township, Will County, Illinois ("construction site" or "project").

2. On August 31, 2003, Home Depot, as the owner of the project, applied for a construction permit for the installation of an 88 linear feet of 6-inch water main extension and 2,303 linear feet of 10-inch main to serve its new Home Depot store at the construction site.

3. Respondent, Weis, was retained by Home Depot to install the water mains at the construction site.

4. On September 5, 2003, the Illinois EPA inspected the construction site and discovered that Weis through its subcontractors had already installed the water main at the project without first waiting for and obtaining the required construction permit from the Illinois EPA.

5. On October 1, 2003, the Illinois EPA issued, after the fact, "As-Built" Plans Construction Permit No. 0431-FY2004 to Home Depot.

C. Allegations of Non-Compliance

Complainant contends that the Respondent has violated the following provisions of the Act and Board regulations:

Count I: Construction of Potable Water Lines Without a Construction Permit, in violation of Section 18(a)(3) of the Act, 415 ILCS 5/18(a)(3)(2004), and 35 Ill. Adm. Code 602.101(a).

D. Non-Admission of Violations

Respondent Weis represents that it has entered into this Stipulation for the purpose of settling and compromising disputed claims without having to incur the expense of contested litigation. By entering into this Stipulation and complying with its terms, Respondent Weis does not affirmatively admit the allegations of violation within the Complaint and referenced within Section III.C herein, and this Stipulation shall not be interpreted as including such admission.

IV. APPLICABILITY

This Stipulation shall apply to and be binding upon the Complainant and the Respondent, and any officer, director, agent, or employee of the Respondent, as well as any successors or assigns of the Respondent. The Respondent shall not raise as a defense to any enforcement action taken pursuant to this Stipulation the failure of any of its officers, directors, agents, employees or successors or assigns to take such action as shall be required to comply with the provisions of this Stipulation.

V. COMPLIANCE WITH OTHER LAWS AND REGULATIONS

This Stipulation in no way affects the responsibilities of the Respondent to comply with any other federal, state or local laws or regulations including, but not limited to, the Act and the Board regulations, 35 Ill. Adm. Code, Subtitles A through H.

VI. IMPACT ON THE PUBLIC RESULTING FROM ALLEGED NON-COMPLIANCE

Section 33(c) of the Act, 415 ILCS 5/33(c)(2004), provides as follows:

In making its orders and determinations, the Board shall take into consideration all the facts and circumstances bearing upon the reasonableness of the emissions, discharges, or deposits involved including, but not limited to:

1. the character and degree of injury to, or interference with the protection of the health, general welfare and physical property of the people;
2. the social and economic value of the pollution source;
3. the suitability or unsuitability of the pollution source to the area in which it is located, including the question of priority of location in the area involved;
4. the technical practicability and economic reasonableness of reducing or eliminating the emissions, discharges or deposits resulting from such pollution source; and

5. any subsequent compliance.

In response to these factors, Complainant states the following:

1. Human health and the environment were threatened and the Illinois EPA's information gathering responsibilities hindered by the Respondent's failure to first obtain a construction permit prior to construction of the water mains.
2. There is social and economic benefit to the Home Depot store.
3. Operation of the Home Depot store is suitable for the area in which it is located.
4. Waiting for the issuance of the construction permit prior to construction of the water mains at the construction site and compliance with its terms was both technically practicable and economically reasonable.
5. Respondent has subsequently complied with the Act and the Board Regulations.

VII. CONSIDERATION OF SECTION 42(h) FACTORS

Section 42(h) of the Act, 415 ILCS 5/42(h)(2004), provides as follows:

In determining the appropriate civil penalty to be imposed under . . . this Section, the Board is authorized to consider any matters of record in mitigation or aggravation of penalty, including but not limited to the following factors:

1. the duration and gravity of the violation;
2. the presence or absence of due diligence on the part of the respondent in attempting to comply with requirements of this Act and regulations thereunder or to secure relief therefrom as provided by this Act;
3. any economic benefits accrued by the respondent because of delay in compliance with requirements, in which case the economic benefits shall be determined by the lowest cost alternative for achieving compliance;

4. the amount of monetary penalty which will serve to deter further violations by the respondent and to otherwise aid in enhancing voluntary compliance with this Act by the respondent and other persons similarly subject to the Act;
5. the number, proximity in time, and gravity of previously adjudicated violations of this Act by the respondent;
6. whether the respondent voluntarily self-disclosed, in accordance with subsection i of this Section, the non-compliance to the Agency; and
7. whether the respondent has agreed to undertake a "supplemental environmental project," which means an environmentally beneficial project that a respondent agrees to undertake in settlement of an enforcement action brought under this Act, but which the respondent is not otherwise legally required to perform.

In response to these factors, Complainant states as follows:

1. Construction of water mains without first obtaining a permit from the Illinois EPA is a significant violation. However, the violation was short lived. The violation was discovered on September 4, 2003, and was corrected with the issuance of "As-Built" permit on October 8, 2003.

2. Respondent did not show due diligence in attempting to comply with the requirements of the Act and Board regulations.

3. The Ten Thousand Dollars (\$10,000.00) penalty agreed to herein, negates the economic benefits accrued by the Respondent by its failure to wait for the issuance of the construction permit.

4. Complainant has determined, based upon the specific facts of this matter, that a penalty of Ten Thousand Dollars (\$10,000.00) will serve to deter further violations and aid in future voluntary compliance with the Act and Board regulations.

5. Complainant is not aware of any previous violations by Respondent.
6. Respondent Weis did not voluntarily disclose the violations in this matter.
7. The settlement of this matter does not include a supplemental environmental project.

VIII. TERMS OF SETTLEMENT

A. Penalty Payment

1. The Respondent shall pay a civil penalty in the sum of Ten Thousand Dollars (\$10,000.00) within thirty (30) days from the date the Board adopts and accepts this Stipulation. The Respondent stipulates that payment has been tendered to Respondent's attorney of record in this matter in a form acceptable to that attorney. Further, Respondent stipulates that said attorney has been directed to make the penalty payment on behalf of Respondent, within thirty (30) days from the date the Board adopts and accepts this Stipulation, in a manner prescribed below. The penalty described in this Stipulation shall be paid by certified check or money order made payable to the "Illinois Attorney General State Projects and Court Ordered Distribution Fund" and sent by first class mail to:

Phyllis Dunton
Environmental Bureau
188 W. Randolph St., 20th Floor
Chicago, Illinois 60601

The name and number of the case and Respondent's Federal Employer Identification Number ("FEIN") shall appear on the face of the check. A copy of the certified check or money order and any transmittal letter shall be sent to:

Zemeheret Bereket-Ab
Assistant Attorney General
Environmental Bureau
188 W. Randolph St., 20th Floor
Chicago, Illinois 60601

2. Pursuant to Section 42(g) of the Act, 415 ILCS 5/42(g) (2004), interest shall accrue on any payment not paid within the time period prescribed above at the maximum rate allowable under Section 1003(a) of the Illinois Income Tax Act, 35 ILCS 5/1003 (2004). Interest on any unpaid payment shall begin to accrue from the date the payment is due and continue to accrue until the date payment is received. When partial payment(s) are made, such partial payment shall be first applied to any interest on unpaid payment then due and owing. All interest on payment owed shall be paid by certified check, money order or electronic funds transfer, payable to the Illinois EPA, designated to the Illinois Environmental Protection Trust Fund and delivered to the address and in the manner described above.

4. For purposes of payment and collection, Respondent may be reached at the following address:

Leonard L. Burrige
Weis Builders, Inc.
7645 Lyndale Avenue South
Minneapolis, Minnesota 55423

5. In the event of default of this Section VIII.A, the Complainant shall be entitled to all available relief including, but not limited to, reasonable costs of collection and reasonable attorney's fees.

B. Future Use

Notwithstanding any other language in this Stipulation to the contrary, and in consideration of the mutual promises and conditions contained in this Stipulation, including the

Release from Liability contained in Section VIII.D, below, the Respondent hereby agrees that this Stipulation may be used against the Respondent in any subsequent enforcement action or permit proceeding as proof of a past adjudication of violation of the Act and the Board Regulations promulgated thereunder for all violations alleged in the Complaint in this matter, for purposes of Section 39(a) and (i) and/or 42(h) of the Act, 415 ILCS 5/39(a) and(i) and/or 5/42(h)(2004). Further, Respondent agrees to waive any rights to contest, in any subsequent enforcement action or permit proceeding, any allegations that these alleged violations were adjudicated.

C. Cease and Desist

The Respondent shall cease and desist from future violations of the Act and Board Regulations that were the subject matter of the Complaint as outlined in Section III.C (“Allegations of Non-Compliance”) of this Stipulation.

D. Release from Liability

In consideration of the Respondent’s payment of the \$10,000.00 (Ten Thousand Dollars) penalty and any specified costs and accrued interest, its commitment, to Cease and Desist as contained in Section VIII.C. herein, and upon the Pollution Control Board’s acceptance and approval of the terms of this Stipulation and Proposal for Settlement, the Complainant releases, waives and discharges the Respondent from any further liability or penalties for violations of the Act and Board Regulations that were the subject matter of the Complaint herein. The release set forth above does not extend to any matters other than those expressly specified in Complainant’s Complaint filed on September 20, 2005. The Complainant reserves, and this Stipulation is

without prejudice to, all rights of the State of Illinois against the Respondent with respect to all other matters, including but not limited to, the following:

- a. criminal liability;
- b. liability for future violation of state, federal, local, and common laws and/or regulations;
- c. liability for natural resources damage arising out of the alleged violations; and
- d. liability or claims based on the Respondent's failure to satisfy the requirements of this Stipulation.

Nothing in this Stipulation is intended as a waiver, discharge, release, or covenant not to sue for any claim or cause of action, administrative or judicial, civil or criminal, past or future, in law or in equity, which the State of Illinois or the Illinois EPA may have against any person, as defined by Section 3.315 of the Act, 415 ILCS 5/3.315 (2004), or entity other than the Respondent.

E. Correspondence, Reports and Other Documents

Any and all correspondence, reports and any other documents required under this Stipulation, except for payments pursuant to Sections VIII.A.1. ("Penalty Payment") of this Stipulation shall be submitted as follows:

As to the Complainant

Zemcheret Bereket-Ab
Assistant Attorney General
Environmental Bureau
188 W. Randolph St., 20th Floor
Chicago, Illinois 60601

As to the Respondent

Leonard L. Burridge
General Counsel
Weis Builders, Inc.
7645 Lyndale Avenue South
Minneapolis, Minnesota 55423

F. Modification of Stipulation

The parties may, by mutual written consent, agree to extend any compliance dates or modify the terms of this Stipulation. A request for any modification shall be made in writing and submitted to the contact persons identified in Section VIII.E. Any such request shall be made by separate document, and shall not be submitted within any other report or submittal required by this Stipulation. Any such agreed modification shall be in writing, signed by authorized representatives of each party, and then accompany a joint motion to the Illinois Pollution Control Board seeking a modification of the prior order approving and accepting the Stipulation to approve and accept the Stipulation as amended.

G. Enforcement of Board Order

1. Upon the entry of the Board's Order approving and accepting this Stipulation and Proposal for Settlement, that Order is a binding and enforceable order of the Illinois Pollution Control Board and may be enforced as such through any and all available means.

2. Respondent agrees that notice of any subsequent proceeding to enforce the Board Order approving and accepting this Stipulation and Proposal for Settlement may be made by mail and waives any requirement of service of process.

3. The parties agree that, if the Board does not approve and accept this Stipulation and Proposal for Settlement, then neither party is bound by the terms herein.

4. It is the intent of the Complainant and Respondent that the provisions of this Stipulation and Proposal for Settlement and any Board Order accepting and approving such shall be severable, and should any provision be declared by a court of competent jurisdiction to be inconsistent with state or federal law, and therefore unenforceable, the remaining clauses shall remain in full force and effect.

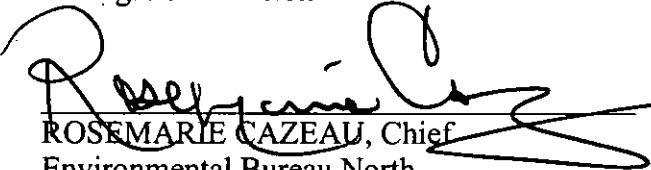

[The remainder of this page is left blank intentionally.]

WHEREFORE, Complainant and Respondent request that the Board adopt and accept the foregoing Stipulation and Proposal for Settlement as written.
