HEARING OFFICER ORDER

On November 10, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties represented that a draft stipulation and proposal for settlement (stipulation) is being discussed and circulated for review. Specifically, language for a supplemental environmental project is being discussed. The parties are optimistic that a stipulation will be filed prior to the next status conference. It was agreed that respondent’s answer is now due to be filed on or before February 17, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 26, 2006, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be canceled without further order.

IT IS SO ORDERED.
