**Re: PCB No. 06-27**  
**People of the State of Illinois vs. Joel Hillman**

Dear Mr. Halloran:

I am in receipt of the **Motion To Deem Facts Admitted and For Summary Judgment** as received from your agency.

Understanding that I did in fact miss the date for the return response, I wish to obtain a short extension to submit my response, to the above noted Motion as well as to the Complaint. I hereby request an extension of two (2) weeks, or no later than December 14, 2005.

Unfortunately, our community here in Florida was severely damaged by Hurricane Wilma, which occurred in the last days of October. I am very much involved in the Community, and the time and effort that was required completely diverted my attention from this most important matter.

I humbly request your consideration, and agreement to so extend the time. I will try to follow your agencies policy in responding formally to the Motion, but wanted to precede with this memo.

Thank you for your consideration,

Very Truly Yours,

JR Hillman, pro se
