**HEARING OFFICER ORDER**

On December 1, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties represented that a settlement has been reached and that the stipulation and proposal for settlement (stipulation) is being circulated for signatures. To that end, it was agreed that respondent's answer is now due to be filed on or before February 10, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 9, 2006, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
