HEARING OFFICER ORDER

On December 8, 2005, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that it is still awaiting the permit. It is hopeful that the permit will be issued prior to the next status conference and that a motion to voluntarily dismiss this matter could then be filed. The parties made an oral motion to stay any rulings in this matter, including the fully briefed and pending cross-motions for summary judgment. That motion was granted. Rulings will be stayed through March 9, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 9, 2006, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
