HEARING OFFICER ORDER

On December 1, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties agreed to discuss a possible resolve to this matter and the respondent is hopeful that it will be able to forward additional proposals to the complainant in the near future. The complainant represented that he intends to file a motion to amend the complaint and was directed to file the motion on or before December 6, 2005. The parties were directed to submit a proposed discovery schedule on or before December 16, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 9, 2006, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
