RESPONSE TO AGENCY MOTION FOR AN EXTENSION OF TIME  
TO FILE THE RECORD

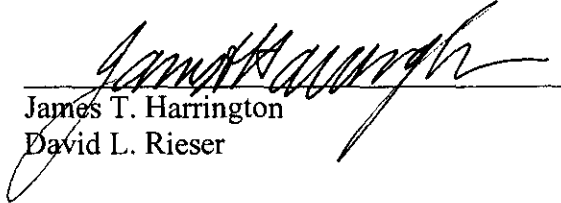

NOW COMES the Petitioner, by its Attorneys, James T. Harrington, David R. Rieser and McGuireWoods LLP and for its response to the Motion for Extension of Time to File the Record, states as follows.

1. The Illinois Environmental Protection Agency (the "Agency") has indicated that some issues raised by Petitioner may be resolved and therefore an indefinite delay in filing the record is appropriate. Petitioner agrees that while some matters may be resolved, others are likely to proceed and the record should be filed.
2. Petitioner, however, understands that the Agency has completed compilation of the record but is having difficulty arranging for the copying of the record.
3. Petitioner, therefore, does not object to the Board granting a reasonable extension of time within which the record will be filed to a date certain and does not object to the Agency filing one copy of the record with the Board.
4. Petitioner suggests an extension to January 26, 2006 without prejudice to the right of the Agency to seek an additional extension should it prove necessary.

Respectfully submitted,

Dated:
