HEARING OFFICER ORDER

On January 18, 2006, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they have reached an agreement on the civil penalty and are circulating a draft stipulation and proposal (stipulation) for review. It was agreed that the respondent’s answer is now due to be filed on or before February 24, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 23, 2006, at 11:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
