AGREED MOTION TO AMEND THE SCHEDULING ORDER

Petitioner Commonwealth Edison Company ("ComEd") and Respondent Illinois Environmental Protection Agency ("IEPA") jointly submit to the Hearing Officer this motion to amend the Hearing Officer Order of August 25, 2005, which sets forth the discovery schedule in this matter, as follows:

1. The Hearing Officer's order in this matter dated August 25, 2005, as amended by letter dated December 22, 2005 (a copy of which is attached hereto), requires the parties to conduct depositions by February 27, 2006. The parties wish to be allowed to conduct depositions subsequent to February 27, 2006, of any persons identified as hearing witnesses after January 31, 2006.

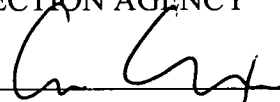

2. The parties request that they be permitted to depose such subsequently identified hearing witnesses within 30 days of the date on which such witness is identified. If the admissibility at the hearing of such witness's testimony is contested by motion, the parties shall have 30 days to conduct depositions from the date of a determination, through either a ruling on a motion in limine or a stipulation by the parties, that the testimony of such witness is admissible.

3. The parties' proposed amendment to the discovery schedule shall be understood to govern the depositions of only those individuals who are identified for the first time as hearing witnesses after January 31, 2006.

WHEREFORE, the parties jointly request that the Hearing Officer grant their motion to amend the discovery schedule set forth in the Hearing Officer Order of August 25, 2005. A proposed order is attached.
