Attention: Clerk

PETITION FOR REVIEW

I was unaware of the activities referred to in your documents labeled AC.
(IEPA No. 459-05-AC)

I request 60 days from the date of this letter to correct activities mentioned in
your complaint.

Please understand that the site is low lying in elevation, with very muddy soils
at this present time. Had the soil been firm enough to operate equipment upon,
I would have immediately corrected these issues.

Respectfully,

Georgia C. Shank
