HEARING OFFICER ORDER

On February 9, 2006, all parties participated in a telephonic status conference with the hearing officer. The parties represented that the stipulation and proposal for settlement (stipulation), is completed and that it will be filed upon completion of the bankruptcy proceedings. Respondent anticipates that the bankruptcy proceedings will be completed in the near future. To that end, it was agreed that respondent’s answer is now due to be filed on or before April 28, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 6, 2006, at 1:30 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
