OPINION AND ORDER OF THE BOARD (by G.T. Girard):

On August 1, 2005, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against Illinois-American Water Company. *See* 415 ILCS 5/31(c)(1) (2004); 35 Ill. Adm. Code 103.204. The complaint concerns Illinois-American Water Company's public water supply facility that serves a new Home Depot store at 143rd Street and Bell Road, Homer Township, Will County. The parties now seek to settle. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5/1 *et seq.* (2004)), the Attorney General and the State's Attorneys may bring actions before the Board on behalf of the People to enforce Illinois' environmental requirements. *See* 415 ILCS 5/31 (2004); 35 Ill. Adm. Code 103. In this case, the People allege that Illinois-American Water Company violated Section 18(a)(3) of the Act (415 ILCS 5/18(a)(3) (2004)). The People further allege that Illinois-American Water Company violated this provision by failing to obtain an operating permit before operating water mains.<sup>1</sup>

On January 26, 2006, the People and Illinois-American Water Company filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2004)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2004)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief from hearing. The Board published newspaper notice in the *Homer Sun* on February 15, 2006. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2004); 35 Ill. Adm. Code 103.300(b).

<sup>1</sup> This same installation is or was the subject of other pending or settled enforcement actions: People v. Home Depot, PCB 05-168 (presently pending); People v. Weis Builders, Inc., PCB 06-44 (settlement accepted by an order dated January 5, 2006); and People v. STS Consultants, PCB 6-48 (presently pending).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Illinois-American Water Company's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2004)), which bears on the reasonableness of the circumstances surrounding the alleged violations.

Illinois-American Water Company neither admits nor denies the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2004)), which may mitigate or aggravate the civil penalty amount. Illinois-American Water Company agrees to pay a civil penalty of \$7,500, which the parties stipulate negates any economic benefit from delayed compliance derived by Illinois-American Water Company, and the People assert will deter further violations and aid in future voluntary compliance. Illinois-American Water Company further agrees to pay a cash contribution in the amount of \$5,000 to the Village of Homer Glen, for use in constructing an off-road multi-use trail system and trailhead, as a supplemental environmental project. Illinois-American Water Company further agrees to perform an environmental compliance audit valued at \$5,000 at one of its facilities in the Chicago Metropolitan area and submit the results to the People, as another supplemental environmental project.

The People and Illinois-American Water Company have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement. This docket is now closed.

This opinion constitutes the Board's findings of fact and conclusions of law.
