HEARING OFFICER ORDER

On April 27, 2006, all parties participated in a telephonic status conference with the hearing officer. The petitioner represented that the parties appear to be in agreement with a resolution in this matter and that its consultant will resubmit the reimbursement documents to the respondent in the near future. The petitioner also represented that it will file a waiver of the statutory decision deadline. March 16, 2006, a telephonic status conference was held. The petitioner did not appear. This matter was continued to the date and time noted below.

The parties are directed to participate in a telephonic status conference with the hearing officer on July 27, 2006, at 9:30 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to voluntarily dismiss is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
