ORDER OF THE BOARD (by T.E. Johnson):

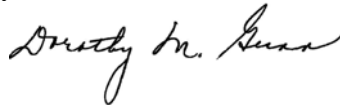

On February 6, 2006, Environmental Protection Industries, Inc. (EPI) filed a petition asking the Board to review a December 29, 2005 determination of the Illinois Environmental Protection Agency (Agency). At issue, is the Agency's approval of EPI's amended high priority corrective action plan with modifications for EPI's facility located at 701 Roosevelt Road, DuPage County.

On February 16, 2006, the Board issued an order finding EPI's petition deficient, and directing EPI to file an amended petition on or before March 20, 2006. In that order, the Board stated that if an amended petition correcting the deficiencies is not timely filed, the petition will be dismissed. To date, EPI has not submitted any filings attempting to address the deficiencies noted in the February 16, 2006 Board order. Accordingly, the Board dismisses the petition, and closes the docket in this matter.

Board Member N.J. Melas abstained.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on May 18, 2006, by a vote of 3-0.

Illinois Pollution Control Board
