## **HEARING OFFICER ORDER**

On June 8, 2006, all parties participated in a telephonic status conference with the hearing officer. The parties are optimistic that this matter will be resolved without the necessity of a hearing. A revised stipulation and proposal for settlement (stipulation), is being circulated for review with the possibility of a few minor changes.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 27, 2006, at 9:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation and proposal for settlement is filed prior to the next status conference, the conference will be cancelled without further order.

IT IS SO ORDERED.
