AFFIDAVIT OF R MICHAEL McDERMONT

I, R. Michael McDermont, being duly sworn on oath do hereby depose and state as follows:

1. I am a licensed professional engineer employed by Stabilize, Inc., located in Springfield, Illinois. I was formerly employed by Andrews Environmental Engineering, Inc., also located in Springfield, Illinois. I have been an engineer for Morris Community Landfill for more than 18 years. During that time, I have become very familiar with the condition of the site and any impact that the site has had or may have on the environment.
2. I am not available to testify in any proceedings during the latter half of September, 2006 or during most of the month of October, 2006.
3. I am scheduled to be in Israel from September 17 - 27, 2006. I have already paid a deposit of \$250.00 against a total cost of \$2,552.00.

4. The interim period between September 28 and October 6 will be used to satisfy various business needs and work assignments for my clients before embarking on another travel obligation.

5. I am scheduled to be in Mexico on a mission trip for ministering to pastors and local people from October 6 -18,2006. I have already been to Mexico in February 2006, in order to make preparations for this mission trip in October and have begun making other preparations to go. Partial funding of this trip has all ready been secured as the funds are being allocated monthly towards a total cost of approximately \$1,750.00.

6. Upon returning from the Mexico trip I will be getting married on October 21,2006 and will be on my honeymoon taking a cruise. The exact destination has not yet been determined but will involve a cruise departing from Florida. I anticipate that the honeymoon trip will be at least a week in length, expending much of the balance of the remainder of the month of October.

The information contained in this Affidavit is based on my personal knowledge. If called to do so, I could competently testify to same and furnish supporting documentation.

R. Michael McDermont, P.E.

SUBSCRIBED AND SWORN TO
