HEARING OFFICER ORDER

On June 8, 2006, all parties participated in a telephonic status conference with the hearing officer. The parties were directed to explore witness availability for possible hearing dates of July 10 through July 13, 2006, or July 17 through July 20, 2006, at the previous status conference. The complainant represented that its witness would be unavailable for the week of July 10, 2006. The respondents indicated that their respective witnesses would be available the week of July 10, 2006. Conversely, the complainant represented that its witness would be available the week of July 17, 2006, but the respondents represented their respective witnesses would not. The parties were directed to explore the possibility of a hearing at the end of August or in the month of September 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 15, 2006, at 1:15 p.m. Please note the time change. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
