**HEARING OFFICER ORDER**

On June 8, 2006, a telephonic status conference was held. Respondents River East LLC, Chicago Dock and Canal Trust and Chicago Dock and Canal Company (River East) did not appear. It is noted that on April 5, 2006, the hearing officer granted the attorney representing River East motion to withdraw, and reminded River East that it must be represented by an attorney pursuant to 35 Ill. Adm. Code 101.400 (a) (2). River East has also failed to appear at the scheduled May 3, 2006, telephonic status conference. River East is directed to retain an attorney and have an appearance on file on or before June 30, 2006.

At the June 8, 2006 status conference, the parties that did appear represented that discovery is ongoing in the above-captioned matter as well as the related federal court matter.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on August 3, 2006, at 11:00 a.m. The telephonic status conference must be initiated by the complainants but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.

A handwritten signature in black ink, reading "Bradley P. Halloran", is written over a horizontal line.
