HEARING OFFICER ORDER

On June 22, 2006, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that the technical issues appear to be resolved, but that the penalty amount is still being discussed. It was explained that a potential to emit issue is outstanding and whether that issue is included in the settlement demand. By agreement, the respondent's answer is now due to be filed on or before August 18, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on July 26, 2006, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
