MOTION FOR RELIEF FROM DEADLINE
TO CERTIFY RECORD

NOW COMES, Respondent, the Peoria County Board, by and through its attorneys, and for this Motion for Relief from Deadline to Certify the Record, states as follows:

1. On or about June 7, 2006, the Pollution Control Board issued an Order requiring the County to file the entire record of its proceedings within 21 days after the date of the Order.
2. On or about June 15, 2005, the Board's Order was adopted, which would require the County Clerk to certify the record on or before July 6, 2006.
3. On or about June 21, 2006, counsel for the County first received the Order, and immediately forwarded it on to the County Clerk.
4. Since receipt of the Order, the County Clerk has been diligently compiling and organizing the various documents and materials that comprise the Record of the proceedings before the County on the application.
5. Despite the County Clerk's best efforts, the Clerk does not reasonably believe its office will be able to compile, copy, and certify the entire Record before the presently set deadline.
6. At the present time, the County Clerk's best estimate of the size and volume of the Record is that it will consist of approximately 50 banker's boxes of documents and contain close to 1 million pages.
7. Due to the size of the record and sheer number of documents and pages, the Clerk cannot reasonably comply with the presently set deadline.

8. Based upon the Clerk's best estimates, the County Clerk reasonably believes it can compile, copy, and certify the record on or before August 7, 2006.

9. The Clerk will continue to diligently work toward completion of certifying the record, and if reasonably possible, will do so before the proposed August 7, 2006, date.

WHEREFORE, the County respectfully requests the Hearing Officer grant the County relief from the presently set deadline of July 6, 2006, and extend the deadline to August 7, 2006.

DATED: June 27, 2006.

Respectfully submitted,

By 
David A. Brown, One of the Attorneys
for Peoria County
