POST HEARING ANSWERS TO COMPLAINT

I do not operate a DUMP OR LANDFILL.  
I am a LICENSED SCRAP PROCESSOR.  
All materials on my property are being and will be sorted, prepared and recycled.  
There are NO abandoned vehicles on my property. All vehicles were bought and paid  
For and are my property.  
There is no garbage or trash on my property.  
All lumber is on trailers for building a shed.  
All metal siding is for building a shed.  
The cinder blocks are for the foundation of the shed.  
The bricks are for a patio.  
The broken concrete is used under tractors to keep them off the ground.  
Since my retirement I am averaging a load a week to the scrap mill.  
My property is located on a narrow sand road not visible from the highway. You must  
Go out of your way to see it.  
I was told EPA would come and get the tires after the other issues were resolved.

Respectfully Submitted,

JAMES STUTSMAN.
