ORDER OF THE BOARD (by A.S. Moore):

On June 28, 2006, the petitioner, Village of River Forest (River Forest), filed a letter from its Village Attorney regarding this land permit appeal. In that letter, River Forest acknowledged receiving a Board order directing it to file an amended petition for review on or before July 3, 2006. River Forest continued by stating that “[a]fter consultation with IEPA representatives and our consultant, Environmental Solutions, the Village Administrator has elected not to take further action regarding the appeal. Accordingly, we request that the matter be removed from the Board’s docket.”

Construing this request as a motion to dismiss the appeal, the Board grants River Forest’s motion, dismisses the petition for review, and closes the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 6, 2006, by a vote of 4-0.
