**HEARING OFFICER ORDER**

On July 13, 2006, all parties participated in a telephonic status conference with the hearing officer. The parties represented that this matter is resolved. The respondent represented that it will execute the settlement document this week. The petitioners represented that they will file their respective motions to voluntarily dismiss shortly after the settlement document is executed.

The parties are directed to participate in a telephonic status conference with the hearing officer on August 30, 2006, at 11:30 a.m. The status conference must be initiated by the complainants, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, motions to voluntarily dismiss are filed prior to the next status conference, the conference will be cancelled without further notice.
