HEARING OFFICER ORDER

On July 12, 2006, the parties participated in a telephone status conference with the hearing officer. Before complainant files an amended complaint, the parties have decided to discuss the possibility of settlement. By agreement of the parties, complainant’s deadline for mailing a settlement proposal to respondent is today. Respondent’s deadline for response is August 2, 2006. If settlement appears unlikely, a deadline for complainant’s amended complaint will be set at the next status conference.

The parties are directed to participate in a telephone status conference with the hearing officer at 1:30 p.m. on August 7, 2006. The status conference shall be initiated by the complainant. The conference previously set for July 31, 2006, is cancelled.
