**UNITED STATES STEEL CORPORATION'S OPPOSITION
TO PETITIONER'S MOTION TO SUPPLEMENT THE RECORD**

Respondent, United States Steel Corporation - Granite City Works ("U. S. Steel"), by its attorneys, files its Opposition to Petitioner's Motion to Supplement the Record. In support of its Opposition, U. S. Steel states as follows:

U. S. Steel objects to supplementing the record with any of the documents attached to Petitioner's Motion to Supplement the Record because such documents were not properly before the Illinois Environmental Protection Agency ("IEPA") for its issuance of the NPDES Permit to U. S. Steel for its Granite City Works facility on March 31, 2006. In addition, U. S. Steel joins IEPA's Motion to Amend Agency Record to the extent IEPA's Motion opposes supplementing the record with the documents attached as Exhibits A and B to the Petitioner's Motion. Accordingly, U. S. Steel adopts herein the reasoning of IEPA's objection to supplementing the record with Exhibits A and B.

WHEREFORE, U. S. Steel requests that the Board deny Petitioner's Motion to Supplement the Record and grant all other relief that the Board deems fair and just.

Dated: July 28, 2006

Respectfully submitted,
