**HEARING OFFICER ORDER**

On August 17, 2006, the complainant and Tronx LLC, informed the hearing officer that discovery issues in the related case in federal court should be resolved by the next status conference that will enable this matter to move forward. The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 2, 2006, at 10:00 a.m. The

telephonic status onference must be initiated by the complainants but each party is nonetheless responsible its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
