ILLINOIS REGISTER

POLLUTION CONTROL BOARD

NOTICE OF WITHDRAWAL OF PROPOSED AMENDMENTS

1) Heading of the Part: Permits and General Provisions

2) Code Citation: 35 Ill. Adm. Code Part 201

3) Section Numbers: Proposed Action:
201.501 New Section

4) Date Notice of Proposed Amendments Published in the Illinois Register:

July 7, 2006 at 30 Ill. Reg. 11506

5) Reason for the Withdrawal:

The Board caused publication of this first notice in response to the request of the Illinois Environmental Protection Agency (IEPA) for expedited consideration of IEPA's June 20, 2006 regulatory proposal. On August 4, 2006, the Board granted IEPA's July 18, 2006 motion to withdraw this rulemaking proposal. IEPA explained that it had discussed the proposed rulemaking with the United States Environmental Protection Agency (USEPA). IEPA concluded that, at this time, the interests of its Prevention of Significant Deterioration (PSD) program would be best served by a withdrawal of the rulemaking proposal.

Questions regarding this matter may be referred to John Knittle at 217/278-3111.
