HEARING OFFICER ORDER

A telephonic status conference was scheduled for August 30, 2006, at 1:30 p.m. The complainant did not appear at that time. Complainant did, however, e-mailed the hearing officer later and stated he had a scheduling conflict. Respondent was copied on the correspondence. The parties are directed to inform the hearing officer at the next telephonic status conference their preference of a hearing date from the following dates. October 16 through October 19, 2006, October 30 through November 2, 2006, December 4 through December 7, 2006, and December 18, 19, and 20, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 14, 2006, at 2:15 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
