HEARING OFFICER ORDER

On September 28, 2006, all parties participated in a telephonic status conference with the hearing officer. The parties represented that they have reached a settlement in principle and are revising a draft settlement document. The complainant may file a voluntary motion to dismiss prior to the next status conference. To that end, it was agreed that all discovery must be completed on or before December 15, 2006.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 20, 2006, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to dismiss is filed prior to the next status conference the conference will be cancelled without further order.

IT IS SO ORDERED.
