HEARING OFFICER ORDER

On September 28, 2006, all parties participated in a telephonic status conference with the hearing officer. The respondent's attorney represented that he has received additional discovery documents requested by the complainant and has forwarded them to the complainant for its review. It also appears that the complainant continues to review the financial documents forwarded by the respondent.

The parties submitted a revised discovery schedule on September 27, 2006. The revised discovery schedule is accepted to the extent as follows. All oral discovery, including but not limited to, depositions and subpoenas *duces tecum*, must be completed on or before December 21, 2006. All final written discovery must be served on or before January 19, 2007. All responses to final written discovery must be served on or before February 19, 2007. All dispositive motions must be filed on or before March 16, 2007.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 20, 2006, at 9:45 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
