**HEARING OFFICER ORDER**

On November 9, 2006, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that it may need additional information regarding the permit application but that a meeting with the petitioner will be held prior to the next status conference. The petitioner represented that it will file a 40-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 14, 2006, at 9:15 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
