**HEARING OFFICER ORDER**

On November 2, 2006, all parties, including the parties in the related PCB 05-213, PCB 05-216, and PCB 05-217, participated in a telephonic status conference with the hearing officer. Respondent’s motions and *motion-in-limine* , filed October 17, 2006, were discussed. Complainants represented that they will not file a response. The parties were advised that respondent’s motions will be taken under consideration and ruled upon prior to the next telephonic conference.

It was agreed that the hearing in this matter will be held on December 18, 19 and 20, 2006. The time and location of the hearing will be noted in the notice of hearing. The PCB 05-213, PCB 05-216 and PCB 05-217 hearings will be held in a consecutive manner on those dates following the hearing in the above-captioned matter.

The parties or their legal representatives are directed to participate in a telephonic pre-hearing conference with the hearing officer on December 7, 2006, at 12:00 p.m. The telephonic status conference must be initiated by the complainants, but each party is nonetheless responsible for their own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
