**ILLINOIS EPA'S OBJECTION TO PETITIONERS' MOTION TO CONSOLIDATE  
FOR PURPOSE OF DECISION**

NOW COMES the Respondent, the Illinois Environmental Protection Agency ("Illinois EPA"), by one of its attorneys, Melanie A. Jarvis, Assistant Counsel and Special Assistant Attorney General, and, pursuant to 35 Ill. Adm. Code 101.500(e), hereby respectfully objects to the Motion to Consolidate for Purpose of Decision filed by the Petitioners, Broadus Oil. In reply to the Petitioners' motion, the Illinois EPA states as follows:

1. Consolidation of the above captioned appeal with the Fed Ex appeal, (PCB 07-12) is inappropriate and will cause material prejudice to the Illinois EPA.
2. The Petitioner in Broadus Oil and the Petitioner in Fed Ex are unrelated parties.
3. The underlying facts in each case do not arise from the same act or occurrence.
4. The sites at issue are not the same nor are they related in any manner.
5. The Illinois EPA issued each Petitioner its own decision letters based upon the facts and circumstances presented in each distinct case.

6. The Broadus Oil decision was made pursuant to Part 732 of the regulations, while the Fed Ex decision was made pursuant to Part 734 of the regulations.
7. The Broadus Oil appeals also include a reimbursement denial that is not included in the Fed Ex case.
8. The PCB 04-31 appeal in Broadus Oil was filed on December 15, 2003. The docket in PCB 05-43 was opened on September 2, 2004.
9. The Illinois EPA's Motion for Summary Judgment in the Broadus Oil case was filed on May 8, 2006.
10. The Petitioner in Broadus Oil was afforded several extensions of time by which to file a response to the Illinois EPA's Motion for Summary Judgment. The response was not filed in Broadus Oil until September 22, 2006.
11. The Illinois EPA filed a Reply to Broadus Oil's response on September 28, 2006. Petitioner did not file any further pleadings in that case. By consolidating the cases, the Petitioner in Broadus Oil is given another opportunity to argue its case through the pleadings in the Fed Ex case. This opportunity has long expired.
12. The cases should be treated separately and on their own merits.
13. The Illinois EPA would be materially prejudiced by any further delay in the Broadus Oil case.

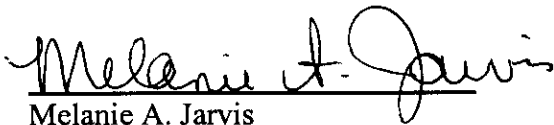

## VI. CONCLUSION

For the reasons stated herein, as well as those previously made by the Illinois EPA, the Illinois EPA respectfully requests that the Board deny the Petitioner's request for consolidation for purpose of decision.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,

Respondent
