ORDER OF THE BOARD (by G.T. Girard):

On November 17, 2006, the parties timely filed a joint notice to extend the 35-day period within which the City of Geneva (City) may appeal an October 13, 2006 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.402, 105.406. The Agency issued a permit, subject to conditions, under the National Pollutant Discharge Elimination System (NPDES) for the City's waste water treatment (WWTP) plant; the City objects to the dissolved oxygen and copper limits. The City's WWTP is located at 602 Crissey Avenue, in Geneva, Kane County.

The Board extends the appeal period until February 15, 2007 (125 days after the October 13, 2006 permit issuance date), as the parties request. *See* 415 ILCS 5/40(a)(1) (2004); 35 Ill. Adm. Code 105.406. If the City fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on December 7, 2006, by a vote of 4-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
