Illinois Pollution Control Board  
Clerk's Office  
100 Randolph St. Suite 11 - 500  
Chicago, IL 60601

Case PCB 06 - 14 <sup>184</sup>

*PC#8*

Dear Members of the Board:

If the majority of the citizens of the City of Peoria, IL and the majority of the members of the Peoria County Board, representing rural constituents, rise up in unison to protest against the State of Illinois extending the life of the Peoria Disposal Company landfill, then, those numbers of protesters should certainly convince the Honorable PCB not to grant an extention to further pollute - to the Peoria Disposal Company.

In the name of all that is civic duty, what more could you dear people require of the citizenry as they defend their rights to a healthy environment?

Their votes are the ultimate against siting the landfill.

Respectfully,

*Jane Johnson*
