**HEARING OFFICER ORDER**

On December 21, 2006, all parties participated in a telephonic status conference with the hearing officer. The parties represented that discovery is proceeding, and that depositions are taking place. The parties requested that discovery cut-off be extended to March 15, 2007. That request was approved. The respondent also represented that there was a fire at the facility that affected the control equipment. The respondent has applied for a variance which is expected soon.

The parties are directed to participate in a telephonic status call with the hearing officer on March 1, 2007, at 9:00 a.m. The status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
