RE: Case PCB 06-184, Peoria Disposal Co. vs. Peoria County Board

Dear Members of the Board:

The Peoria County Board voted on May 3, 2006, against the expansion of the toxic waste landfill.

We do not want our land, air and water polluted anymore. There are already 843 of the most toxic wastes known perilously buried over our aquifer.

It is time to close the door on this archaic method forever.

Sincerely,

Diane A. Storey
