HEARING OFFICER ORDER

On January 17, 2007, the parties participated in a telephone status conference with the hearing officer. Complainant sent respondent a request for production of documents. Respondent has been unable to provide the documents because they have been seized by federal officials on an unrelated matter. Complainant may depose respondent now, and again once the records are released. The parties do not know how long this will take.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:00 a.m. on May 17, 2007. The status conference shall be initiated by the complainant.
