HEARING OFFICER ORDER

On January 18, 2007, the parties were scheduled to participate in a telephone status conference with the hearing officer. Neither party appeared. Respondent believes this appeal has been rendered moot by subsequent permits. If petitioner is unable to appear at the next telephone status conference, it must file a status report before that date.

The parties are directed to participate in a telephonic status conference with the hearing officer at 10:30 a.m. on February 21, 2007. The telephone status conference will be initiated by the petitioner.

Petitioner filed an open waiver of the decision deadline in this case.
